Experiential Learning for Emerging Professionals: Cooperative Education Model

CENTER FOR INFORMATION ASSURANCE & CYBERSECURITY

Panel Presenters

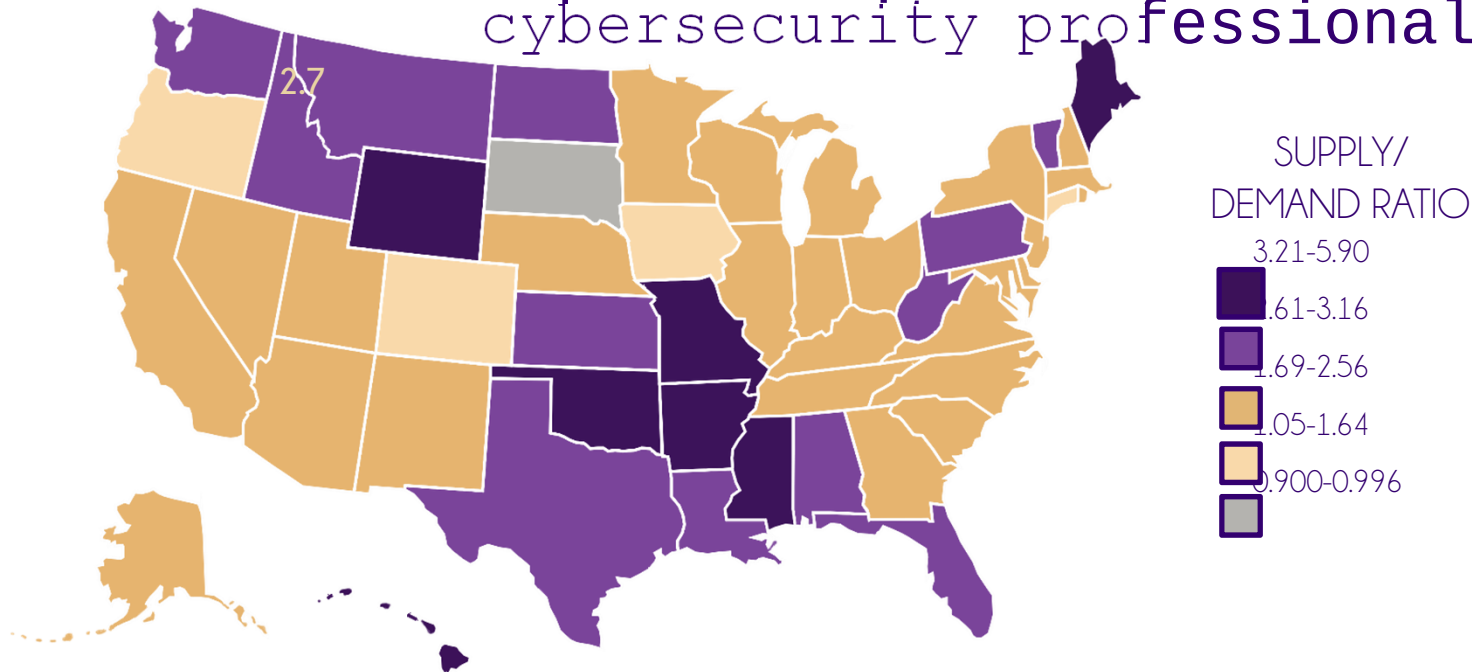

- > **Corrinne Sande, Panel Moderator, CyberWatch West, Director**
- > **Eric Yocam, T- Mobile, Sr. Manager of Cybersecurity Innovation, Talent, Architecture and CyberLab|Technology**
- > **Morgan Zantua, University of Washington, CIAC, Director of Workforce Development**

Research Question:

> How do you accelerate the learning process and better prepare students to enter the workforce prepared to be “breach ready.”

WANTED: BREACH-READY EXPERTS

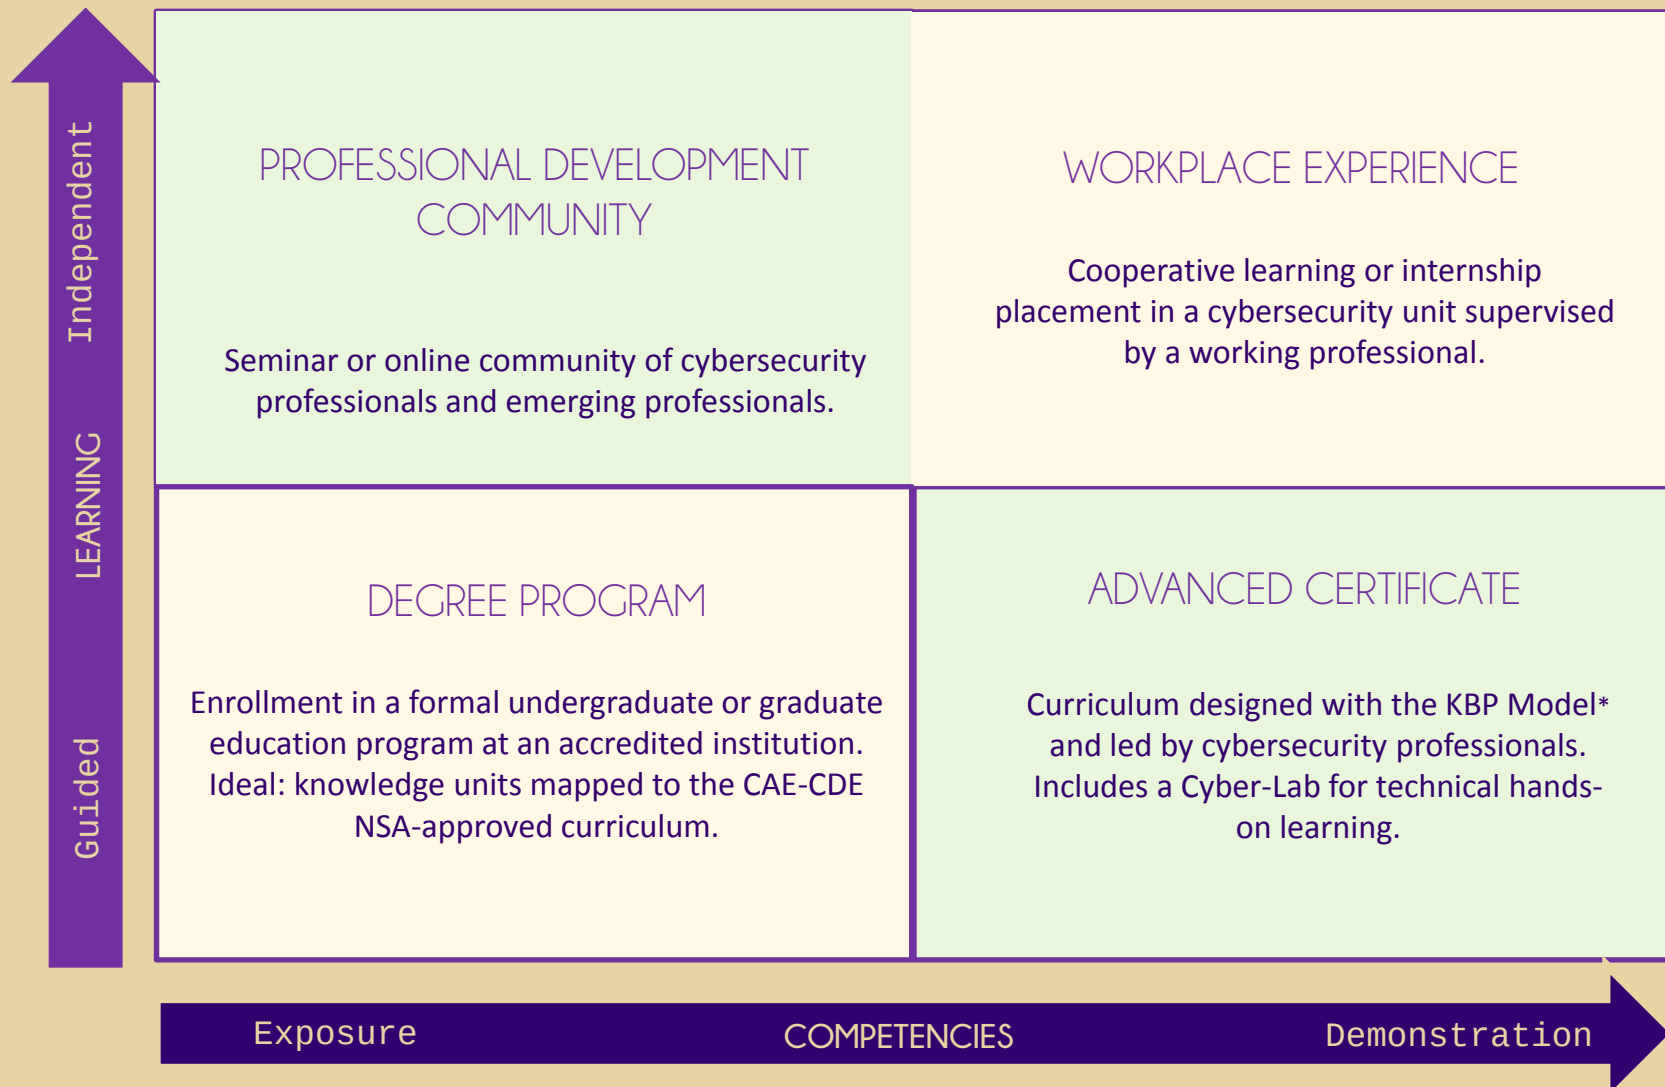

Industry calls for greater career readiness by recent graduates,
as well as increased numbers of emerging cybersecurity professionals.
